

Welcome to Bright Sparks Nursery

Our first few weeks have gone really well. Our children have been settling in, making friends and finding out all about our nursery – routines, the environment and new people. We are still developing our outside area, to make it even more interesting, and we have started to use our mud kitchen area, which is really exciting! Please remember, your children always need wellies and waterproofs.

Our Learning

Our children are constantly learning, throughout their time at Bright Sparks. We follow their lead in their play and get to know them well, so that we can make sure they are all moving forward.

Rather than using themes and topics, we pick up on teaching opportunities in the moment, when our children are most engaged and ready to learn.

Our staff keep up to date with ever-changing research on child development and use their in depth knowledge of Early Years Foundation Stage to plan environments to support learning.

You can follow your child's progress on Tapestry, and also use it to let us know what they have been up to at home.

If you have any worries, queries or questions, please talk to any of the nursery staff. If you would like to speak to the manager, please call or email.
