

Journeys

Reception Knowledge Organiser Term 3 2024

We will be learning about different environments around the UK and world.

- Towns and cities
- Countryside
- Desert

We will compare the different places to where we live.

 location
 modern
 similar
 transport
 vehicle

We will learn about designers and engineers. We will compare modern transport to older transport. We will also design our own!

We will learn about different modes of transport.

We will learn about different materials and will experiment to discover if they sink or float.
