

## Welcome to Bright Sparks Nursery

Our Nursery days continue to be busy, full of playing, learning and making friends. We are excited to be welcoming new children and families all the time, as Bright Sparks grows.

We are currently looking at our numbers for September, so if you are thinking of changing or increasing your child's hours, now would be a good time to let us know, to avoid disappointment!

### It's almost Summer!

This term, we will be starting to look towards the time when our oldest children will be transitioning into school. Hopefully, as COVID restrictions relax, the children will be able to visit the Reception class more often and join in with some of their routines, so that, when the time comes, they will be ready, happy and confident.

For all our children, please bear in mind that we are outside for much of our day. As the weather gets warmer, children will need sunhats, and clothes that cover their shoulders. If you would like to bring in sunscreen for your child, please hand it to a member of staff, rather than leaving it in their bag. And please remember to put name labels on everything!

### Important dates
