

## Welcome to Bright Sparks Nursery

We are pleased to announce that we have two new staff members, Miss Lee and Miss Hewlett. Their arrival will allow us to accommodate the new children joining us in June and give us more flexibility in how we organise our space.

It looks like we are going to remain very busy through September and beyond, so do make sure you have sent through any requests for and extra sessions you would like for your child.

### Learning and growing!

Our school leavers have started new routines, to help them fully bond as a group and get used to the school environment.

We are getting our second Nursery room ready for use, so that we can split into two groups for part of each day. The extra room will be used by the three and four year olds, initially for the morning sessions. We hope that this will start soon after the half-term break.

We are continuing our planting, and have finished building our bug hotel, in the muddy area, so will be watching closely for any mini-beast visitors!

Do remember, your children still need wellies and waterproofs, as well as sunhats!
