

Welcome to Bright Sparks Nursery

We would like to welcome all new children and families that have joined Bright Sparks this term. During the nursery day the children have free flow access to outside and can select a range of resources to use and explore independently. There will be lots of opportunities for the children to take part in activities that will be happening throughout the day, both adult and child led.

Do remember that children will require coats, wellies and now with the weather warming, sun cream and sun hats during their time at nursery.

Please make sure these are labelled.

Learning and growing!

Our new topic next term will be **'Growing Up'** where the children will be learning about transitions for those moving into school, how we develop and grow as we get bigger, plants/flowers growing and animals.

Our topic book this term is 'What the ladybird heard'

The children have been watching our caterpillars grow and we will be releasing these over the next few weeks, please talk to your children about them.

The children will be spending more and more time in our mud kitchen area now the weather is getting nicer. If you have any donations such as flowers, seeds, compost, old pots and pans, that would go to our mud kitchen/forest area, please do let us know.

Thank you ☺

If you have any worries, queries or questions, please talk to any of the nursery staff. If you would like to speak to the manager, please call or email.
