

# Past, Present, Future

## Year 1 History Knowledge Organiser Term 1 2023

In our first history topic this year we are going to be looking at the Mars Rover landing which happened in 2020.

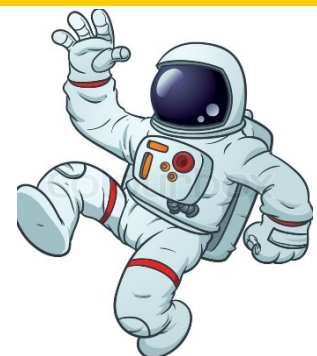

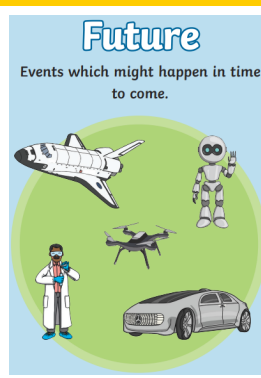

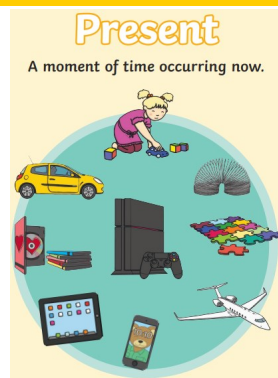

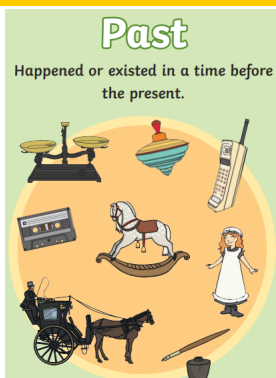

In 2020 Perseverance Rover landed safely on Mars as part of the Mars Exploration Program with NASA.

### Vocabulary

astronaut  
explore  
future  
lifetime  
memory  
order  
past  
present  
recently  
remember  
rover  
space

We will be learning about the terminology of past, present and future and creating our own future technology.

We are also going to be looking at key female astronauts, who first walked on the moon in 2019.
