

## Year 1 Science Knowledge Organiser Term 1 2023

This half term we are going to be learning more about the human body. We are going to be naming and labelling the different body parts.

We will also be looking at our senses and explaining how we use them. We are going to be challenging ourselves to test how good our senses are.

We are going to put what we have learnt into action by creating our own super animal.

### Vocabulary

ankle  
arm  
ears  
elbow  
eyes  
hair  
feet  
finger  
hand  
head  
hearing  
hip  
human body  
knee  
leg  
mouth  
neck  
nose  
tongue  
senses  
shoulder  
sight  
skin  
smell  
stomach  
taste  
test  
toe  
touch
