

Let's find out!

Year 1 Science Knowledge Organiser Term 4 2024

In this unit we will be using our knowledge to work scientifically. We will be recalling our senses:

And our weather knowledge:..

Vocabulary

data,
investigate,
rain gauge,
record,
sample,
scent,
taste,
table,
test

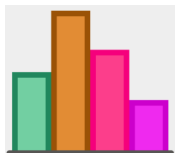

We will be using this scientific method flow chart to help us find out.

We will be planning and performing simple tests.

We will be investigating and asking questions.

We will be gathering and recording data.

The Scientific Method
